MEMORANDUM FOR: Inspector General

SUBJECT : Nominees for Augmenting
the IG's Staff

The Directorate of Intelligence nominates the following officers for your consideration for an augmented IG Staff. I believe all of these officers would be fully qualified for the position and obviously would not be willing to depart with all of them, but would consider as many as two. They are presented in order of seniority:

PAUL V. WALSH
Associate Deputy Director
for Intelligence

MEMORANDUM FOR: Deputy Director for Operations
Deputy Director for Intelligence
Deputy Director for Administration
Deputy Director for Science and Technology
Administrative Officer/DCI

SUBJECT : Augmentation of IG Staff

1. I have just sent a memorandum to the DCI concerning the IG Inspection Staff. Included among the recommendations is one increasing the size of the Inspection Staff from the present three to ten. I have already discussed this recommendation with the DCI and received his tentative approval. In order to expedite the selection of the additional inspectors needed I am sending the request to you, prior to receiving formal DCI approval.

2. At present we really have four inspectors on board: Leader - DDO, [] - DDI/DDO, [] - DCI area, [] - DDA (Margaret has just turned over her Deputy Director, EEO/Federal Womens Program Coordinator job to [] and by agreement with the DCI has been assigned full time to the Inspection Staff). Thus we need six additional inspectors. I propose that four of these come from inside the Agency, and two from outside. One of the latter would be from the non-intelligence side of the government (Civil Service, Justice (not FBI), etc.), the other from the intelligence community. These are in line with recommendations from the Presidential Commission.

3. Of the four internal assignees I believe that one should definitely come from the DDS&T and one from the DDO. The other two should be selected on the basis of competence but leaning toward the DDA and DDI. We need experienced, broad-gauged individuals, with an investigative - analytical type of mind, good writers, who would be interested in a three year tour with the Inspector General. Among them could be an additional woman assignee, plus possibly a member of the racial minorities. We seek people in the GS-15 to 17 range, not necessarily approaching retirement.
